### Reno-Tahoe International Airport is very canine friendly

Reno-Tahoe International Airport is one of a few airports in the country that offers not one, but two Dog Parks for our four legged passengers. At the **Gate K-9 Bark Park**, dogs can run around, drink water and take care of any necessary "doggie business" with mutt mitts provided. The original Gate K-9 Bark Park is located just north of Baggage Claim. And for departing passengers, there is now a second Gate K-9 Bark Park located south of the terminal, near Southwest Airlines Ticket Counter.
