

Dogs & Cats on RNO Air Carriers

- 🐾 Pets must be vaccinated.
- 🐾 Pets must be transported in a travel carrier that conforms to your airline's specifications. If travelling in the cabin, carriers must be able to fit underneath the seat.
- 🐾 States may require a health certificate for your pet. Contact your veterinarian or the U.S. Dept. of Agriculture at www.usda.gov for more information.
- 🐾 For pets travelling as checked baggage or cargo, weather embargos and temperature restrictions may apply.
- 🐾 Exceptions for service animals may apply.

Information and fees are subject to change. Please visit your air carrier's website.

Reno-Tahoe International Airport is canine friendly!

Reno-Tahoe International is one of the few airports in the nation to offer THREE dog parks for our four-legged passengers. At the two outdoor K-9 Bark Parks, dogs can run around, drink water and take care of their "doggie business". Mutt mitts are provided. One outdoor Bark Park is located north of Baggage Claim and one south of the terminal near the Southwest Airlines outdoor ticket counter. Our newest K-9 facility is indoors and post-security, across from the Timber Ridge and McDonald's restaurants. This convenient facility also has indoor water and "doggie business" areas.
